

MEMORY BOX COMPETITION DESIGN FOR 2014

Place turn backs wherever you like; and filler ferns and flowers can be anywhere and anything your creative heart desires – daisies, pansies, violas, violets, cornflowers, forget-me-knots, lilacs, stylised, whatever

HELEN OVENS PERPETUAL TROPHY DESIGN FOR 2014

Our inaugural design for the Helen Ovens Perpetual Trophy was provided for us by her close friend Chris Cort.

Cheryl Halliday winner of the 2012 competition, has designed her signature poppies into a very workable pattern. In fact Cheryl has painted the design 3 times just to make sure it works.

Contact Regine Thompson for a memory box, or collect at the AGM in February.
All boxes will be donated to a hospital supporting the memory box programme.

This is a very special way to remember Helen Ovens (who supplied the Association with the wooden memory boxes)
