

Helen Ovens Perpetual Trophy 2016

The 2016 competition for the Helen Ovens Trophy will be judged in September 2016 at our two day Painting Weekend (17 & 18 September).

Entrants will be required to display their boxes at Forestville Community Arts Centre, where other FDAA members attending the weekend will vote for the winner.

In the past, the previous winner of the trophy would supply the design.

For 2016, the design will be '*any design you like*' that is suitable for a Memory Box.

Previous line drawings are available on the FDAA website - www.fdaa.org.au/community/memory-box/ - alternatively, Tole Friend's Memory Box Program offers suggestions & free designs - www.memoryboxes.org

All memory boxes entered are donated to a hospital supporting the Memory Box Program.

The Helen Ovens Perpetual Trophy acknowledges the work & memory of Helen Ovens (1930 - 2006) - FDAA member, artist, friend and mother - who was responsible for providing the FDAA with memory boxes for members to paint for the Memory Box Program.

Any queries or requests for Memory Boxes can be directed to:
Regine Thompson
